

It's Hurting for the First Time

Wolfsheim

seven hundred times
thought of you
a voice of innocence
i hear it calling
i know it's you

now i realize
that it's just hurting
for the first time
i feel it aching
i know it's you

seven hundred lies
seven hundred ways
to hide the fact
that i am longing
longing for you

but now i see it .. i feel it ..
it seems so right
a trace of light
that i will follow
till i reach you
