Could It Be I'm Falling In Love

Worlds Apart

Since I met you

I've begun to feel so strange Everytime I speak your name (That's funny) You say that you are so helpless too That you don't know what to do Each night I pray There will never come a day When you up And take your love away Say you feel the same way too And I wonder what it is I feel for you Could it be I'm falling in love with you baby? Could it be I'm falling in love? Could it be I'm falling in love with you With you with you? I don't need all those things That used to bring me joy You made me Such a happy boy And honey you'll always be The only one for me Meeting you Was Magic to me You can be sure I will never let you down When you need me I will be around And darling you'll always be The only one for me Heaven made you 'specially Could it be ... And darling you'll always be The only one for me Heaven made you 'specially Could it be ...
