

Outside Your Window

Worlds Apart

Each time the wind blows
Outside your window (2x)

Living in the fast lane
Don't get much time to be with you
Some day I know this will change

I can see that you're worried
I don't know what you've been told
Some things ain't quite what they seem

So I'll be waiting for tomorrow
To see you again, my love
And there's just something I want you to know
In my heart, until then, I hope...
Each time the wind blows
Outside your window baby
You'll be thinking about me
Because I know
Each time the wind blows
Outside your window baby
I'll think of you endlessly

Buy a ticket for the night train
In no time I'll be with you
I never want to be this far away

Back in my arms again
I ain't ever going to let you go
With you is where I'm going to stay

So I'll be waiting for tomorrow
To see you again, my love
And there's just something I want you to know
In my heart, until then, I hope...

Each time the wind blows
Outside your window baby
You'll be thinking about me
Because I know
Each time the wind blows
Outside your window baby
I'll think of you endlessly

(Reach out) I want you to know
I know you want me to show
I'll show you all that you need
With you I feel so complete
I really want you to see, it's so easy

Each time the wind blows
Outside your window
Each time the wind blows
Outside your window, I hope

Each time the wind blows

Outside your window baby
You'll be thinking about me
Because i know

Each time the wind blows
Outside your window baby
Back in my arms
I ain't ever gonna let you go
