

## Ferocious Bombardment

Wormrot

The act of aggression,  
Drugged with senseless violence,  
Paralyzed by the terror,  
head first to the f\*\*king ground.  
Numb with shock.  
Nothing but convulsions of laughter  
In dreadful f\*\*king fear.  
In agony he does it again.  
The act of aggression,  
Drugged with senseless violence,  
Paralyzed by the terror,  
Head first to the f\*\*king ground.  
Fuck.
