

# World on Fire

Wovenwar

The world has lost its mind  
There are liars leading legions of the blind  
And no one seems to see the cliff in sight  
Are we too far gone to save our lives?

Our house of sand is sinking  
How are we surprised?  
Senselessness is now a virtue to live by

Fools we are  
Drawing from a well run dry  
Fools we are  
Defending truths we know are lies

Is there more than just performance in their show?  
Either back the hand you hold or learn to fold  
Are we too far gone to change our minds?

Our house on sand is sinking  
How are we surprised?  
Senselessness is now a virtue to live by

Fools we are  
Drawing from a well run dry  
Fools we are  
Defending truths we know are lies

Self destruction in the name of progress  
Oh, I see the end, I see it  
Where do we go from here?  
Because faith is running thin

Just look around, the world is on fire  
On fire  
Just look around, the world is on fire

Fools we are  
Drawing from a well run dry  
Fools we are  
Defending truths we know are lies  
Fools we are  
Drawing from a well run dry  
Fools we are  
Defending truths we know are lies

Just look around, the world is on fire  
On fire
