

Furunkel Lolita

Wumpscut

You tease me
You please me
Come and be my Furunkel Lolita
Du reißt mich
Du heißt mich
Komm und sei mein Furunkel Lolita

When I see you walk
When I hear you talk
When I see you move
When I see you groove

I cannot resist your young charm
Come to me to find my true warmth
Heaven is what your young body flesh promises
My Lolita
Hell is what awaits me if I touch all your tress

Heaven is what your body promises
Hell is what awaits me when I touch your tress
