I Walk Alone- Saliva

Yeah! I walk for miles inside this pit of danger. A place where no one follows me, I walk alone. I'm sick of all these people talkin' out their heads. I've never understood a damn thing that they said. From words to actions never knowing what they're about. I guess I'll have to chew them up and spit them out. And I'll say. I walk for miles inside this pit of danger. A place where no one follows me, I walk alone. Huh! And I'll say! I walked for miles inside this pit of danger. I've swallowed down a thousand years of anger. The weight of the world is falling on my shoulders. A place where no one follows me I walk alone. Yeah! I walk alone. Oh Yeah! Yeah! I walked for miles inside this pit of danger. I've swallowed down a thousand years of anger. The weight of the world is falling on my shoulders. A place where no one follows me I walk alone.

I walk alone. Yeah!
