Line In The Sand

Evolution is a mystery Full of change that know one sees. Clock makes a fool of history . Yesterday is too long ago, don't agree with what I know . Tomorrow's not the place to be.

I see the line in the sand Time to find out who I am Looking back to see where I stand.

EVOLUTION...

See my reflection change. Nothing ever stays the same But you know the name's the game. We all know what it means Nothings ever what it seems Unforgiven Unforseen

I see the line, in the sand Time to find out, who I am Looking back to see were I stand.
