## With Legs Like That- Zebrahead

Her she comes again, like good medicine Every step she takes my blood is flowinD Her legs go on and on for days

Shells got a hold on me, I need the remedy Just to hold her would be a cure for me I canlt keep goind on this way (gotta get away, I gotta get away)

Shels at the top of her game, she donlt know my name the futurels lookin brief, shels outa my league Look out; shell tear your heart out Look out; shell rock your world therels no doubt She comes and goes when she wants to, IDd do anything she wanted me to, who would blame me with legs like that

Here she comes again she makes me wanna sin My heart stops when I think about her coming Her legs go on and on for days (on and on and on and on)

Shels gotta hold on me itls a tragedy, that I will never get the chance to have her close to me When she moves she takes my breath away (yeah she moves and she moves and sh e moves)

Shels at the top of her game, she donlt know my name the futurels lookin brief, shels outa my league Look out; shell tear your heart out Look out; shell rock your world therels no doubt She comes and goes when she wants to, IDd do anything she wanted me to, who would blame me with legs like that

Shels breakin me down; shels everywhere that I wanna go Breakin me down, she gets me high when IDm feelin low Shels breakin me down; shels on the move like a rolling stone Breakin me down, just one look cuts me to the bone

Shels like that (like that) Shells like that (like that) Look out; shell tear your heart out Look out; shell rock your world therels no doubt She comes and goes when she wants to I $\Box$ d do anything she wanted me to, who would blame me with legs like that she moves and she moves and she moves she moves and she grooves and she moves she moves and she moves and she moves she moves and she grooves with legs like that she moves and she moves and she moves she moves and she grooves and she moves she moves and she moves and she moves she moves and she grooves with legs like that with legs like that with legs like that with legs like that With legs like that
