

Gentle Shepherd

Wynette Tammy

Shepherd, shepherd. gentle shepherd
Show me how to go
Help me, guide me to green pastures
Through the blinding snow

Little lambs can go astray
Little lambs can lose their way
Shepherd, shepherd, gentle shepherd
Show me how to go

Shepherd, shepherd, gentle shepherd
Show me how to go
Help me, guide me through cruel waters
When no warm winds blow

Little lambs can go astray
Little lambs can lose their way
Shepherd, shepherd, gentle shepherd
Show me how to go

Shepherd, shepherd, gentle shepherd
Show me how to go
Help me, guide me to my shelter
To the home I know

Little lambs can go astray
Little lambs can lose their way
Shepherd, shepherd, gentle shepherd
Show me how to go

Shepherd, shepherd, gentle shepherd
Show me how to go...
