

He's Just an Old Love Turned Memory

Wynette Tammy

He's just an old love turned mem'ry
But he still turns my world upside down

I phoned him today an accidental mistake
And his name slipped out to some friends
Forgotten old feelings are brand new today
Cause I'm right back where I've always been

He's just an old love turned mem'ry
And I seldom see him around
He's just an old love turned mem'ry
But he still turns my world upside down

I went to some places where I knew he'd be
Just to prove our love was over and done
But the moment his eyes met mine I knew
My sorrow had just begun

He's just an old love turned mem'ry
And now I seldom see him around
He's just an old love turned mem'ry
But he still turns my world upside down
He still turns my world upside down
