

# I'm Not Ready Yet

Wynette Tammy

I said I'd leave you anytime I'm ready  
Some April when all the land is wet  
Some summer some fall or maybe winter  
I'll leave someday but I'm not ready yet

I should have left the day your love was dying  
I've passed up every day I ever set  
I know I'll leave you when my heart is ready  
I'm still around cause I'm not ready yet

Well I left a hundred times but you don't know that  
Cause I'm ashamed to tell just how far I get  
You didn't you don't and you'll never love me  
And someday I'll go but I'm not ready yet

I should have left the day your love was dying  
I've passed up every day I ever set  
I know I'll leave you when my heart is ready  
I'm still around cause I'm not ready yet
