

It's Only Over for You

Wynette Tammy

Somehow I knew I'd see you tonight here at our old rendezvous
I'm at the mercy of old memories you've got your somebody new
You may wonder why I keep comin' by with this heart so broken i
n two

Any fool can see with one look at me it's only over for you

It's only over for you

No oh I'm not the one who found somebody new

You can go on believin' we're through

Oh but it's only over it's only over for you

As I watch you fallin' in love you can't see me fallin' apart
And even though you hurt me I know I still love you with all of
my heart

But I won't hide my face in a stranger's embrace when we dance
into each other's view

No don't be surprised at these tears in my eyes cause it's only
over for you

It's only over for you

No oh I'm not the one who found somebody new

You can go on believin' we're through

Oh but it's only over it's only over for you

You can go on believin' we're through

Oh but it's only over it's only over for you
