

## Please Come to Boston

Wynette Tammy

You said please come to Boston for the springtime  
You're stayin' there with friends and they've got lotsa room  
I can sell your paintings on the sidewalk  
By a cafe where I hope to be workin' soon  
You said please come to Boston  
I said no would you come home to me

Hey ramblin' boy why don'tcha settle down  
Boston ain't your kinda town  
There ain't no gold and there ain't nobody like me  
I'm the number one fan of the man from Tennessee

You said please come to Denver with the snowfall  
We'll move up into the mountains so far that we can't be found  
And throw I love you echoes down the canyon  
And then lie awake at night until they come back around  
You said please come to Denver  
I said no boy would you come home to me

Hey ramblin' boy why don'tcha settle down  
Denver ain't your kinda town  
There ain't no gold and there ain't nobody like me  
I'm the number one fan of the man from Tennessee

Now this drifter's world goes round and round  
And I doubt that it's ever gonna stop  
But of all the dreams you've lost or found  
And all that you ain't got  
You still need to cling to somebody you can sing to

You said please come to LA to live forever  
California life alone is just too hard to build  
You live in a house that looks out over the ocean  
There's some stars that fell from the sky  
And then livin' upon the hill  
You said please come to LA  
I said no boy won't you come home to me

Hey ramblin' boy why don't cha settle down  
LA can't be your kinda town  
There ain't no gold and there ain't nobody like me  
I'm the number one fan of the man from Tennessee
