

Tempted

Wynette Tammy

Sometimes love can hurt you bad
Make you stop and wonder what you really had
But I guess it's all part of the Master's plan
To be tempted to fall in love again

Tempted, tempted, tempted to fall in love again
Tempted, tempted, tempted to fall in love again

When I miss love the most is late at night
When the party is over and everything is quite
Then the memory of love starts burning in my brain
And I'm tempted to fall in love again

Tempted, tempted, tempted to fall in love again
Tempted, tempted, tempted to fall in love again
Tempted, tempted, tempted to fall in love again
