

You Don't Know the Half of It

Wynette Tammy

Well hello it's good to see you
You know it's the first time since you left
Oh yes I'm doin' alright
How about yourself

You know I heard about your new love
And I'm really sorry that she's gone away
And I guess you're wonderin' if I'm really happy
Well this is all that I can say

You don't know the half of it
Never dreamed life could be like this
His love is here to stay
It's getting stronger everyday

I feel so good inside
Feel like I could almost fly
There's heaven in his kiss
Oh you don't know the half of it

Yes I found me someone new
And he'll take the place of you
His hand and mine just fit
Oh you don't know the half of it
