

You Still Get to Me in My Dreams

Wynette Tammy

From our first kiss in the mornin' to our last kiss at night
He knows how to keep you from crossin' my mind
From sunup to bedtime he's my ev'rything
Oh but darlin' you still get to me in my dreams

When sleep overtakes me you take over again
And you love me all over til he steps back in
He makes me a prisoner of the love that he brings
Oh but darlin' you still get to me in my dreams

He takes good care of my passion cause he wants love to live
He always takes less than he's willlin' to give
He tries to protect me from dangerous things
Oh but darlin' you still get to me in my dreams

When sleep overtakes me you take over again
And you love me all over til he steps back in
He makes me a prisoner of the love that he brings
Oh but darlin' you still get to me in my dreams
Oh but darlin' you still get to me in my dreams
