

No Wonder

Wynonna Judd

NO WONDER, NO WONDER
I never took the time to ask
If my marriage was right
Or if I was on the right path
NO WONDER, when all went wrong
And I felt let down I wonder where
I went wrong

NO WONDER, NO WONDER
We make the same mistakes
NO WONDER, over and over again
Let God make our choice
Let go and go and let God
And, He'll give you the best

NO WONDER, NO WONDER
When life lets you down
Your mistakes made
Lets you repeat again
You were wrong
Oh, you were dead wrong

I never thought to ask
I found myself blaming God
Why, did I ever do that

NO WONDER, NO WONDER
We are head strong
And don't know what's going on
We think we're right
NO WONDER,
We're totally wrong
We never asked
For God's perfect plan

Let go and let God
And He'll give you the best
Let go and let God
And He'll give you the best.
