

Shining Star

Wynonna Judd

Hey
When you wish upon a star
Dreams will take you very far
When you wish upon a dream
Life ain't always what it seems, oh yeah
Once you see your light so clear
In the sky so very dear, yeah

You're a shining star, no matter who you are
Shining bright to see, what you can truly be
What you can truly be

Shining star come into view
Shine it's watchful light on you
Give me strength to carry on, yeah
Yeah, oh make your body big and strong, yeah
On an adventure of the sun, yeah
Yes all my work has just begun
?
That's it now I got my own oh yeah

So if you find yourself in need
Why don't you listen to his words of heat
Be a child free of sin
Words of wisdom: yes I can

You're a shining star, no matter who you are
Shining bright to see, what you can truly be
You're a shining star, yeah, no matter who you are
Shining bright to see, what you can truly be
You're a shining star, yeah, no matter who you are
Shining bright to see, what you can truly be

Shining star for you to see, what your life can truly be
Shining star for you to see, what your life can truly be
Shining star for you to see, what your life can truly be
