

# When I Reach the Place I'm Going

Wynonna Judd

When I reach the place I'm goin'  
I will surely know my way  
And I will turn and look inside me  
And bid farewell to one more day

Every light begins with darkness  
Every flower is once a seed  
And with the sun and wind to test us  
We are bound to be released

I will fly beyond this valley  
I will open up the gate  
And when I reach the place I'm goin'  
I will surely know my way

We have hands to hold our sorrow  
We have tears to heal the pain  
And though your eyes ask many questions  
On your lips I hear my name

I was born without a whisper  
I was born beneath the rain  
But when I reach the place I'm goin'  
I will surely know my way  
I will surely know my way
