

# Standing Sex

X Japan

Lucy in the sky  
I'm whisky frisky  
Lady Jane, Marry Jane  
Drive me rocked out  
.

No pain, No delight  
Get me dry high  
Number 24  
I need X  
.

Stand up! Fuck up!  
Show no mercy Like a lunacy  
.

Kick off! Fuck off!  
I'm getting in the count down  
.

Marry Marry Kiss me Marry  
Why do you have to be ripe?  
.

Give me Give me Give me rainy dreams  
'Til they kill me away (Lights up)  
.

Slash Slash Let me slash  
Boredom Tasteless life  
.

Get me Get me Get me out of the world  
'cause I'm crying for rainy roses  
Lucy in the sky  
Get you up right  
Crime of visual shock  
You are X  
.

Stand up! Fuck up!  
Show no mercy Like my jealousy  
Kick off! Fuck off!  
I'm getting in the count down  
.

Marry Marry Kiss me hurry  
Why do you have to be ripe?  
.

Give me Give me Give me rainy dreams  
'Til they kill me away (lights up)  
Marry Marry Kill me Marry  
Can't you set me free  
.

Lady Lady Are you ready to go?  
Why do you have to be laying down?
