

# I Feel Like You

X-Perience

You live somewhere down the beach  
I see you every night and day  
but if I try to catch you  
then you always try to hide away.

You are like a dream to me  
you are the pleasure in my life  
tu es la joie de ma vie

I feel like you're watching me  
you fill my diary  
kill my privacy  
I feel like you're haunting me  
it starts a misery  
love you endlessly

There is so much left to do,  
a million words to say to you  
there is so much to be done  
when all your doubts are gone.

You are like a dream to me  
you are the pleasure in my life  
tu es la joie de ma vie

I feel like you're watching me  
you fill my diary  
kill my privacy  
I feel like you're haunting me  
it starts a misery  
love you endlessly
