

## Red Rain (Mirror)

X-Perience

I'm looking for a mirror  
To face my eyes and realize  
The beauty of youth  
Is the only thing worth having

I'm jealous of everything  
Whose beauty does not die  
And I'm jealous  
Of the picture  
The mirror has painted

A mirror, a mirror

I'm jealous of everything  
Whose beauty does not die  
And I'm jealous  
Of the picture  
The mirror has painted

A mirror, a mirror ....
