

Every Single Bitch

X-Raided

Its the muthafuckin' X and im back on a dope track
man ya got to listin how to keep a ho stackin'
what you got to do to have your bitch clockin'
is put her on a skirt and sit her on "Stockton" fish-net stockings
Tight around thick dock make it look good to the normal nigga eye
she'll make a killin even if she ain't fine
Cuz a big ass and some titties is a gold mine, deuce-nine dollars
A nut, two nuts is 58, an extra 4 if want the hoe to masturbate
A blow job is 30 bocks a hit
But it's worth she see the hoe swallow the gooey shit
And when your through she be comin to see daddy
Like a O.G., you know me, I'm sittin in the Caddy, kick back
Look at the hoe like Wow Bitch your my slave, what should I make you do now?
You can't treat a bitch good, you know
What good is a pimp if he ain't slappin his hoe
So niggas, let a bitch know you don't play
And say that they gotta price to pay
i want my muthafuckin money
you either pay me or pay no muthafuckin mine
i gotta get it through every muthafuckin time nigga
you know what im sayin
who's the muthafuckin ho nigga
bitch give me my muthafuckin money when i ask for it bitch
nigga fuck that stomp that ho nigga
i want my money bitch you know what im saying fo sho
(Verse 2)

Who's the hoe? A bitch named Tammy was the trick
She gave up the pussy for not one cent
She didn't pay, fuck it I kept the hoe
Every night at 6 A.M. I was Climbing out her window
The close homie hit'em too
but i dont give a fuck cause the niggaz from the crew
I can't lie, I hella liked the bitch
But like Vamp Dogg said: "Once a bitch, always a bitch"
So why try to change her?
I rather play the role and treat the bitch like a stranger
The only woman I respect
Is my mother and my sister disrespect I break yo neck
It's hella easy pullin hoes
cuz they all on the dick from the datin' and the vouges
so stupid bitch you gets no play
we from the gardens
and you got a price to pay yeah
like i said pay me or pay me no muthafuckin mine
if you see me walking through the mall
sagging my levi's with a muthafuckin cellular phone outside
you know the goldie and the vouges and shit
dont even say shit bitch cause you know what i want
if you aint gonna drop the draws dont even stop and pause
(Verse 3)

Just by the greedy bitch all you have to do is flash a little bit
of the cash and the question that she asks is how much money do you make
but if you really listin it's how much money can i take
fake niggas dont know the game though they in love with a pretty ass burnin
ho
but fuckin with me she'll get a pat on her back a tore up pussy and a tic ta
c

based on the fact she swallowed all the sperm the bitch thinks shes gettin a
free perm
and a dress and a sweater get real fuckin with me and you'll be granted with
a happy meal
and oprah winfrey you'll get your ass whooped you better keep fuckin with a
cookbook
your intelligent and a flat lady but dont ley yo-yo get ya tore up
and if you think im treating you wrong pack your shit and get your monkey as
s on
go stay with your mama and say them niggaz from the gardens dont play
ya ya ya you got to do the right thing
you got to do the right thing
and the right thing is to pay me
you could lick me from head to toe
you know what im saying a quick blow
cause im from the fo
and you got to give me all your mail
you know what im saying
i need a double up you gonna pay for it
(Verse 4)

The bitch thats giving up the cash
I know some hoes who would stright up jack your ass
You might go to the mo-mo and get you some
but you wakin up broke and feeling dumb
She made you cum then your ass went to sleep
she got your keys and out the door the hoe creeped
You got got by a sneaky ass bitch
who's ridin with another nigga frontin your shit
you had to have the caught thats what you said
and you thought the hoe was front cause she gave you head
It was all of the bitches plot
Big spider web, yo ass got caught
You went in her that night loc
Yeah, red lobster a big fuckin joke
She got fed ate and paid quick
And all you got was a show on the sticks
See, niggaz just love the buy shit
the hoes cry to make a nigga go for it
