

Degenerate Uprising

Xasthur

Waste of flesh, given away to anyone who'll destroy it. you can
't coexist with people who want to kill you. Mix pity and freed
om, enthrone and praise...what once was trash. there's a degene
rate uprising for those who never learn, freedom is free for th
ose who never earn. as we learn nothing, we're easier to contro
l, lie to and manipulate, political correctness, political corr
ect-less, hope and ignorance, new world order falls into place,
we'll blame traitors of the human race
