

# Bleeding Out

Xentrix

Are you ready for the bleeding?  
Is that really what you wanted from the start?  
Can you master without feeling?  
Look into my eyes while you're tearing out my heart  
Nothing more than you disciple  
Making sure that you never come to harm  
Never asking for a reason  
Feed me up a smile with your parasitic charm

My loss can't be your gain  
Do you govern the emotional drain?  
Never looking for a reason  
If life was death - you're hell  
Now am I comfortable in chaos as well?  
Or is this all just commonplace?

You take, forsake  
Promises made were all just fake  
Obey, betray, never more devout  
Hard face, disgrace  
Sinful ideals that you embrace  
Drain me, guilt free  
I am bleeding out, I'm bleeding out

Heart of cold habitual slaughter  
Freeze my thoughts, never question what you say  
Drawn me in neurotic order  
Slice me open wide while you're watching me decay  
Full of superficial promise  
It's hard to speak when you're choking on a leash  
In your presence I'm demolished  
Sling the hook, take the bait  
Never rest in peace

My loss can't be your gain  
Do you govern the emotional drain?  
Never looking for a reason  
If life was death - you're hell  
Now am I comfortable in chaos as well?  
Or is this all just commonplace?

You take, forsake  
Promises made were all just fake  
Obey, betray, never more devout  
Hard face, disgrace  
Sinful ideals that you embrace  
Drain me, guilt free  
I am bleeding out, I'm bleeding out

Carve your name into my conscience  
While you're feeding me a rotting feast of lies  
Counterfeiting every kindness  
Hell under your wing  
You're the devil in disguise  
Silent deeds remain unpunished  
Say no prayers, I will never be released  
Honesty remains abolished

Praise my life, bleed me dry  
Feed me to the beast

My loss can't be your gain  
Do you govern the emotional drain?  
Never looking for a reason  
If life was death - you're hell  
Now am I comfortable in chaos as well?  
Or is this all just commonplace?

You take, forsake  
Promises made were all just fake  
Obey, betray, never more devout  
Hard face, disgrace  
Sinful ideals that you embrace  
Drain me, guilt free  
I am bleeding out, I'm bleeding out
