

## Brian the Vampire

Xiu Xiu

Brian, tender kisses run run run is my wish for you  
Brian, tender drops of blood run run run I'm thinking of you  
How far does your brother go with you?

Brian, growing boy stay stay stay awake is my prayer for you  
Brian, tender clutches run run run I'm thinking of you  
What happens to you when your dad  
Hears your brother pull down your underpants
