

Just Say I Love Him

Xiu Xiu

Just tell him that I need him
As roses need the rain
And tell him that without him
My dreams are all in vain

Just say I love him
I've loved him from the start
And tell him how I'm yearning
To say what's in my heart
Just say I need him
As roses need the rain
Tell him that without him
My dreams are all in vain

If you should chance to meet him
Anytime anyplace anywhere
Say I was a fool to leave him
And tell him how much a fool can care
And if he tells you
He is lonely now and then
Just won't you tell him that I love him
And want him back again

If you should chance to meet him
Anytime anyplace anywhere
Say I was a fool to leave him
And tell him how much a fool can care
And if he tells you
He is lonely now and then
Just won't you tell him that I love him
And want him back again
