

## Walnut House

Xiu Xiu

Think about it before you spray paint "don't worry mom"  
On the dumpster of the nursing home they have as many eyes as a  
pineapple  
I am the dumbest bitch on the planet  
On the second floor landing sweating buckets  
My arm pits are like black moons shaking at the end of  
A cord my leather daddy dancing very near like a sweetheart would  
Hurting my buttohole like a sweetheart would  
Oh, oh it's a little titmouse  
Ah, ah little chickadee  
Oh, ooh it's little ruddy duck  
Don't worry mom
