

## Wondering

Xiu Xiu

Tonight is anything  
Goodbye to anything  
Outside of anything  
Collide with everything

Ring a xadong ding ding  
Down on your knees  
Ring a ding ding ding  
Swallow defeat  
Relief again  
Ding ding dong ding

Wondering, maybe?  
Wondering, maybe?  
Wondering, maybe?  
Wondering  
Wondering

There's not a chance, there's never been  
Destroyed by color on the wind  
It is so clear it is so clean  
And unforgivably obscene

Alive is anything  
Alight to anything  
Denied of anything  
Surprised with everything

Oh, love was stronger then  
Life went on without end  
Now to feel the sun  
Burn our rights and wrongs  
The shock of ash upon hope and peace

There's not a dance that's never been  
Jealous of envy on the wind  
It is plain it is so pure  
And unforgivably obscure

Wondering, maybe?  
Wondering, maybe?  
Wondering, maybe?  
Wondering  
Wondering
