

# Animal

Xov

I want your like, you're mine tonight  
I want it all  
Do you bite? Well so do I do  
Yea, I'm an animal

You be the prey and I'll be the predator  
I want it all  
I can't be tamed I'm a cold-blood killer  
With you I'm an animal

So give me hard, give me loud, give me passionate  
Show me your animal  
So give me raw, give me rough, give me all of it  
Show me your animal (animal)

Show me your animal

It's dinner time, no I didn't die  
Just take it off  
Oh, what a sight, feed my appetite  
Yea, I'm an animal

You be the prey and I'll be the predator  
I want it all  
I can't be tamed I'm a cold-blood killer  
With you I'm an animal

So give me hard, give me loud, give me passionate  
Show me your animal  
So give me raw, give me rough, give me all of it
