

Boys Don't Cry

Xov

Tell me why you're running from me?
Is it love or money?
Tell me why you shot right at me?
Can't you see I'm happy?
Is it love or money?

Like AK47 with words
Semi-automatic, shoot (shoot) where it hurts
Right in the bulls-eye
Man up, man up
Boys don't cry
Na na, na na
Boys don't cry
Na na, na na

My best friends turned to demons
Family left me beaten
Now was that love or money?
You won't believe where I found freedom
On the bottom of the sea and
Without love or money

Like AK47 with words
Semi-automatic, shoot (shoot) where it hurts
Right in the bulls-eye
Man up, man up
Boys don't cry
Na na, na na
Boys don't cry
Na na, na na
