

## Then She Appeared

XTC

Then she appeared, apple venus on a half open shell  
Then she appeared, the first photograph on Fox Talbots gel  
I was a little frightened  
Flying with my senses heightened  
Cherubim cheered  
Then she appeared  
Then she appeared, as the giggling crew of Marie Celeste  
Then she appeared, pale Atlantis rising out of the west  
I was a little dazzled  
Catherine wheeled and senses frazzled  
Know it sounds weird  
Then she appeared  
And the sun which formally shone  
In the clearest summer sky  
Suddenly just changed address  
Now shines from her blue eyes  
Then she appeared, brittle shooting star that dropped in my lap  
Then she appeared, dressed in tricolour and phrygian cap  
I was a little troubled  
Hookah with my senses bubbled  
All Edward leared  
Then she appeared  
And the moon which formally shone  
On the marbled midnight mile  
Suddenly just packed its bags  
Now shines from her bright smile  
Then she appeared  
Out of nowhere
