

Everybody Dies in Their Nightmares

XXXTentacion

Ooooahahh

Don't go, don't go to sleep

Don't go, stay up with me

Tired of feelin' like I'm trapped in my damn mind

Tired of feelin' like I'm wrapped in a damn lie

Tired of feelin' like my life is a damn game

Nigga really wanna die in the night time

Only time I feel pain, when I'm feeling love

That's why it's tatted on my face that I'm damn numb

Only time I'm in my mind, when I'm all alone

That's why I'm really never alone in the night time

Change hoes like clothes, I can't get attached

'Cause these hoes fire starters like lit matches

I've been feeling really lost, ducking all attachments

I don't really go outside 'cause I hate traffic

I don't wanna go outside, get caught in traffic

Tired of feelin' like I'm trapped in my damn mind

Tired of feelin' like I'm wrapped in a damn lie

Tired of feelin' like my life is a damn game

Nigga really wanna die in the night time

Tired of feelin' like I'm trapped in my damn mind

Tired of feelin' like I'm wrapped in a damn lie

Tired of feelin' like my life is a damn game

Nigga really wanna die in the night time

Tired of feelin' like I'm trapped in my damn mind

Tired of feelin' like I'm wrapped in a damn lie

Tired of feelin' like my life is a damn game

Nigga really wanna die in the night time

Nigga really wanna die in the night time

Nigga really wanna die in the night time

Nigga really wanna die in the night time, uh

Nigga really wanna die in the night time, uh

Nigga really wanna die in the night time

Don't go to sleep

Don't go, stay up with me

Don't go, don't go to sleep

Don't go, stay up with me

Ooooahahh

Don't go, don't go to sleep

Don't go, stay up with me
