Steady tryin' to maintain
Same things that a blood bitch might frame
My brain can't fathom what the hate say
He say, she say, how 'bout me say?
Get the Vis-a, had to tell the others A-S-A-P
What's that on my shawty wrist? That's a AP
I'm the type to save a bitch, C-A-P-E
Feelin' like ET, flyin' out of the Addy
Fuckin' on shawty, she baddie, 'cause she was calmin' the addict
I mean I'm better than better, maybe I'm lyin'
I'm sadder than most of y'all with the money and the freedom, nigga
What is money really worth if it ain't love?
I'ma find a perfect balance, it's gon' take time
I heard shawty still in love through the grapevine
Heard shawty still in love through the grapevine
Heard shawty in love through the grapevine
