

# Pushing up Daisies

Yashin

Is it that I don't know how to back down?  
'Cause I have found a never ending problem  
The way, the way we were  
Has it hit the ground?  
A life with dirt on my hands is not the life I'm gonna live  
The way, the way we were  
Has it hit the ground?

Better off dead  
Better off dead  
No

You are not the only  
You are not the only one  
Who's at the high end of low  
From here I don't know where to go  
You are not the only  
You are not the only one

Feeling something  
Feeling nothing  
Do I really want to give up?  
I can't let go, won't let go

Feeling something  
Feeling nothing  
Do I really want to give up?

Feeling something  
Feeling nothing  
Do I really want to give up?

Hold me close, hold me close

Better off dead  
Better off dead  
No

You are not the only  
You are not the only one  
Who's at the high end of low  
From here I don't know where to go  
You are not the only  
You are not the only one

And do we have to go back to move ahead?  
Do we have to go back?  
Do we have to go back?  
To move ahead  
To move ahead  
To move ahead  
(To move ahead)

Better off dead  
Better off dead  
No

You are not the only  
(You are not the only)  
You are not the only one  
Who's at the high end of low  
From here I don't know where to go  
You are not the only  
(You are not the only)  
You are not the only one
