

## Non Typical Homo

Yattering

Living in unawareness of your own skin  
Of something that sticks in us, in me  
Untypical homo  
Trance sapiens...  
(I feel an inertia of my soul, deeply)  
Untypical body  
Deviation, extreme, sadism  
Untypical homo...  
Perversity raping  
An individual one  
Drive yourself in madness  
Own I, I / you??  
You ill treat everything own I and him!!  
Hands derive delight  
With orgiastic abilities  
Extrementophilia  
Joy, pleasure  
Orgasm, deep pleasure  
Darkness sticks  
In you man without his own I
