

Preacher

Years & Years

Ooh, just imagine
Just how good I could look on your shoulder
Ooh, what a vision
How your hand on my neck pulls me closer

Oh, 'cause I really wanna love you
And I'm trying, dear
I'm trying, but you knock me down
You do
'Cause I really wanna love you
But you're hiding, yeah, you're hiding
You should come on out
Come on out

Woo-hooh
He's a preacher, but he's preaching a lie
Woo-hooh
I'm a creature with a fever so high
Woo-hooh
And my temptation, you can't escape it
Got it, baby, say goodbye
Woo-hooh
Come on, preacher
Let me teach ya tonight

Ooh, are you thinking what your father would say if he saw us?
Well, you should admit it
You don't know who you are, but you're hoping

That I'm gonna get to love you
And I'm trying, yeah
I'm trying, but you knock me down
You do
'Cause I really wanna love you
But you're hiding, yeah, you're hiding
You should come on out
Come on out

Woo-hooh
He's a preacher, but he's preaching a lie
Woo-hooh
I'm a creature with a fever so high
Woo-hooh
And my temptation, you can't escape it
Got it, baby, say goodbye
Woo-hooh
Come on, preacher
Let me teach ya tonight

Let me be your salvation
And let's come and take it
I'll be your constellation
So, baby let's go
Pure dedication
Do you [?]
I could be your salvation
So, baby let's go

Let me be your salvation
Let me be your salvation
I'll be your constellation
Let me be your salvation

Woo-hooh
He's a preacher, but he's preaching a lie
Woo-hooh
I'm a creature with a fever so high
Woo-hooh
And my temptation, you can't escape it
Got it, baby, say goodbye
Woo-hooh
Come on, preacher
Let me teach ya tonight
