

# Starstruck

## Years & Years

I can't help it  
I get starstruck around you

I feel like all these people in this room  
Don't shine like you  
If I could bottle you up  
I would sip ya  
Like cosmic juice

So give me that good love  
Good love all night  
Don't need your cash  
I got my own to spend it on ya  
If I like  
If you wanna dance, baby let's dance  
We can dream until the sun rise

I can't help it  
I get starstruck around you  
What can I do, baby  
I can't help it  
I get starstruck around you  
What can I do

There ain't no reason why  
I can't speak, think or stop  
Staring at your glow  
I wanna tell you everything that's on my mind baby  
Even if I choke, ooh yeah

So give me that good love  
Good love all night  
Don't need your cash  
I got my own to spend it on ya  
If I like  
If you wanna dance, baby let's dance  
We can dream until the sun rise

I can't help it  
I get starstruck around you  
What can I do, baby  
I can't help it  
I get starstruck around you  
What can I do  
When I get my hands on you

I'm not giving, not giving you up  
I'm not giving, not giving you up  
I'm not giving, not giving you up  
I'm not giving, not giving you up up up, no

I can't help it  
I get starstruck around you  
What can I do, baby

Starstruck, not giving you up  
Starstruck, not giving you up

I can't help it  
I, I can't help it  
I can't help it  
I, I can't help it  
I can't help it  
I, oh, oh, oh...

I can't help it  
I get starstruck around you  
What can I do, baby  
I can't help it  
I get starstruck around you  
What can I do  
(Oh, what can I do)

I'm not giving, not giving you up  
I'm not giving, not giving you up  
I'm not giving, not giving you up  
I'm not giving, not giving you up up up, no

I can't help it  
I get starstruck around you  
What can I do

Starstruck, not giving you up
