

## Drop

## Ying Yang Twins

Everybody in the club in the heat  
pussy get to poppin when we holdin a beat  
bitches throwing up they posing hands  
ass keep poppin out these female pants  
every mothafucka sippin on lean  
see the crunk they begin when they be drinking a beer  
and they be pullin on a moma like bitch come here  
pullin on a moma like bitch come here

im santa clause, didnt you hear  
tell johnny saint nick what you want this year  
and we might get into you ass by the summer ooh  
beat a pancake with a thumpa  
you, can we crank the club up  
black magic in here, so drank it up  
and you gonna be just as drunk as us  
you gonna be just as drunk as us

bring it back to the thang  
put it all in the bank  
bring it blown round thang  
let er'body get rang

just screw you,  
drop that mothafucka (drop that mothafucka)  
drop that mothafucka (drop that mothafucka)  
drop that mothafucka (drop that mothafucka)  
drop that mothafucka (drop that mothafucka)

let me put you up with something different  
all females need to pay attention  
i wanna see you gyrate on the floor  
pull your body bad like you want this dough  
this is right here for a sexy girl  
with a 2 peice on, go on work it girl  
should i make it keep comin  
spendin yo money  
would you mind nigga be on yo woman  
like the way she do it you hypnotized  
now you got pussy all in your eyes  
(hey) bartender bring another round  
tips all on the pole start slidin down  
fuck it matter we'll make it rain  
got pussy all around you callin yo name  
they know what they got  
and they know how to use it  
(drop that mothafucka) to the music

bring it back to the thang  
put it all in the bank  
bring it blown around thang  
let er'body get rang

just screw you,  
drop that mothafucka (drop that mothafucka)  
drop that mothafucka (drop that mothafucka)  
drop that mothafucka (drop that mothafucka)

drop that mothafucka (drop that mothafucka)

when you see her on the floor  
you know she droppin to the music  
(yup yup we like that, yup yup yup yup we like that)  
put it all in your face  
and still be droppin to the music  
(yup yup we like that, yup yup yup yup we like that)

drop that mothafucka...  
drop that mothafucka...

bringing it down and making her rounds  
on my house you the baddest bitch in the town  
laying it down  
i love it when she screw up the ground (screw up the ground)  
round and around she went representin for the rich and the presidents  
hella the quick glass nasty grins  
boy thats it, pop up the mothafuckin hood and buzzin  
and pushing buttty shit that you love

bring it back to the thang  
put it all in the bank  
bring it blown around thang  
let er'body get rang

just screw you,  
drop that mothafucka (drop that mothafucka)  
drop that mothafucka (drop that mothafucka)  
drop that mothafucka (drop that mothafucka)  
drop that mothafucka (drop that mothafucka)
