Gonna drink mo liquor than a drunk, get crunk  
'Til a nigga breath smell like skunk

You can find me at the bar  
Or the liquor store  
To get some mo Grey Goose so I can wet my throat

Walk up in the store, Grey Goose right there

Put yo middle finga up if you don't give a fuck  
Tilt yo head back, now finish the cup

Alcohol seepin' outta your pores  
Smellin' like a liquor bearer steady talkin' to whores  
Say that nigga so drunk, he'll fuck the floor  
Fuck the floor, fuck the floor

That nigga can't get a bitch, it's like he ready to fight  
But the goose got him loose so he don't give a fuck  
He just whip it to the bar to get another cup

Sweatin' like a motherfucker buck ass wild
