

Hold On

Yngwie Malmsteen

Look at me, see the love that you're missing
Can't you see, that I'll always be there
you can't run, you can't hide from the feeling tonight
Damage Done, I guess love isn't fair
Sometimes I wonder who you are
So close, but we've gone too far
How long, can I hold on till you say good-bye baby
you're gone and it's so wrong and now my heart cries for you gi
rl
Lonely days, fill my nights with such sorrow
Shades of grey, turn into blue tomorrows...
Sometimes I wonder where you are
So close, but your eyes are so far...
How long, can I hold on till you say good-bye baby
you're gone and it's so wrong and now my heart cries for you gi
rl
