

The Whole of the Law

Yo La Tengo

Well, I used to have the notion I could swim the length of the ocean

If I knew that you were waiting for me

I used to have the notion I could swim the length of the ocean

I'd plumb the depths of every sea for you

I'd escape from my chains

And I'll reach out for you

Maybe I'm in love with you

Maybe, maybe I'm in love with you

I had to contact you, found out I was in love with you

I had to contact

That's it, that's the law, that's the whole of the law

The whole of the law
