

Shining  
Without cause  
Every I  
In every breath  
Root  
Unknown by time  
Within  
This ache of beyond  
Wings in oceans vast  
Swells in azure skies  
Caring not for the ruse  
Not for fear of Nothing(ness)  
Shining in stars and stone  
Unknown by time  
This ache of beyond  
Shining  
Dreams  
Of what  
We are  
Sown in fields of stars  
Ablaze  
In the heart  
Of the beyond  
Disguise  
Of shadow and gold  
This veil  
Holds no sway  
As we muse in the fray  
The source ever remains  
Shining  
As it all falls away  
Wings in oceans vast  
Swells in azure skies  
Caring not for the ruse  
Not for fear of Nothing(ness)  
Shining in stars and stone  
Unknown by time  
This ache of beyond  
In stars and stone

Shining  
Dreams  
Of what  
We are  
Sown in fields of stars  
Blaze  
In the heart  
Of the beyond
