

## Original Face

YOB

A drum of unrest  
Beating in my chest  
Within raging days  
Pounding at the gate  
Skin stretched too tight  
Under fading light  
Shapeless failing view

I must see it through  
Must see it through  
See it through  
Sounding unto a greater life  
Bring the devils  
Seraphim  
Bring the sorrow  
That feeds on my skin  
Sounding unto a greater sight  
See the seer  
The original face  
There is nothing else  
This is all there is  
There is nothing else  
The original face  
Blister to the flame  
Bared teeth within names  
One beast brings its strength  
One beast brings hunger  
One beast topples mountains  
Rigpa swallows them whole  
Emergent rising view  
I must see it through  
Must see it through  
Sounding unto a greater life  
Bring the devils  
Seraphim  
Bring the leeches  
Bleed the leeches  
Sounding unto a greater sight  
See the seer  
The original face  
Skin stretched too tight  
Under fading light  
Shapeless failing view  
Must see it through  
Blister to the flame  
Bared teeth within names  
Clear sight, Rigpa's view  
I must see it through

Must see it through
