

Familiar Fire

Yodelice

Familiar Fire
Blazing the ashes of my pain
Feelings unwired
My frozen blood runs free again

Oh oh oh...
I'm falling in love again
Oh oh oh...
I'm falling in love again

Lasting desire
Bursting down from deep within
Electric fire
Unquenchable-ness for your skin

Oh oh oh...
I'm falling in love again
Oh oh oh...
I'm falling in love again

Time is a liar
Just when I thought I'd walk away
Love is riding high
My feelings shifted their own way

Oh oh oh...
I'm falling in love again
Oh oh oh...
I'm falling in love again

Time is a liar
Just when I thought I'd walk away
Love is riding high
My feelings shifted their own way

Is it forever
Is it the truth before our death
Once in my fever
I think of you holding my breath

Oh oh oh...
I'm falling in love again
Oh oh oh...
I'm falling in love again

Time is a liar
Just when I thought I'd walk away
Love is riding high
My feelings shifted their own way

Oh oh oh...
I'm falling in love again
Oh oh oh...
I'm falling in love again
