Familiar Fire

Familiar Fire Blazing the ashes of my pain Feelings unwired My frozen blood runs free again Oh oh oh... I'm falling in love again Oh oh oh... I'm falling in love again Lasting desire Bursting down from deep within Electric fire Unquenchable-ness for your skin Oh oh oh... I'm falling in love again Oh oh oh... I'm falling in love again Time is a liar Just when I tought I'd walk away Love is riding high My feelings shifted their own way Oh oh oh... I'm falling in love again Oh oh oh... I'm falling in love again Time is a liar Just when I tought I'd walk away Love is riding high My feelings shifted their own way Is it forever Is it the truth before our death Once in my fever I think of you holding my breath Oh oh oh... I'm falling in love again Oh oh oh... I'm falling in love again Time is a liar Just when I tought I'd walk away Love is riding high My feelings shifted their own way Oh oh oh... I'm falling in love again Oh oh oh... I'm falling in love again
