

Hard Times Are Over

Yoko Ono

It's been very hard but it's getting easier now
Hard times are over, over for a while
The leaves are shining in the sun and I'm smiling inside
You and I watching each other on a street corner
Cars and buses and planes and people go by

But we don't care, we wanna know
Wanna know in each other's eyes
That hard times are over, over for some time
(Yeah)

Hard times are over
Hard times are over
Hard times are over
Over for a while

It's been very rough
But it's getting easier now
Hard times are over
Over for a while

The streams are twinkling in the sun
And I'm smiling inside
You and I walking together
'Round the street corner

Hard times are over
Hard times are over
Hard times are over
Over for a while

Hard times are over
Hard times are over
Hard times are over
Over for a while

Hard times are over
Hard times are over
Hard times are over
Over for a while

Hard times are over
Hard times are over
