

Waiting on You

YONAS

I don't know where to go from here
I don't know what's behind my fears
I don't know who's gonna drive my tears
Cuz I've been all the way down
And I don't really know where it goes
I can't be afraid now
At least, I can't let it show

The world is gonna be mine
As soon as I begin to fly
I didn't know it'll be alright
But I know now

Standing at the edge of the world
Ready to fly
Standing at the edge of the world
And I'm just waiting on you
Standing at the edge of the world
Ready to fly
Standing at the edge of the world
And I'm just waiting on you

I see reflections of myself now
And I don't really feel the same
There's something not familiar
And I don't really know who to blame
The future's in the stars now
I never wanna hit the ground
I thought I lost my faith
But it always comes around

The world is gonna be mine
As soon as I begin to fly
I wish I knew back then
That it'll be alright
The world is gonna be mine
As soon as I begin to fly
I didn't know it'll be alright
But I know now

Standing at the edge of the world
Ready to fly
Standing at the edge of the world
And I'm just waiting on you
I'm standing at the edge of the world
Ready to fly
Standing at the edge of the world
And I'm just waiting on you

You told me I ain't finished now
Still much more to go
To go
You told me I ain't finished now
Still so much more to go
To go
Ohhh
And I know now

Ohhh
And I know now
And I know now

Standing at the edge of the world
Ready to fly
Standing at the edge of the world
And I'm just waiting on you
I'm standing at the edge of the world
Ready to fly
Standing at the edge of the world
And I'm just waiting on you
