

Brighter Than Anything

Yonderboi

I try not let this get bigger than it is
I try not let this get bigger than it is
Bigger than it is
I try not let this get bigger than it is

It's not about...
I try not let this get bigger than it is

It's not about what I sow
I try not let this get bigger than it is
Bigger than it is

It's not about what I say, it's about what I touch
So how come you don't listen to me?
How come I say this much?

It's not about what I show, it's about what I'm in
So how can you just glow brighter than anything?

Brighter than anything
